

Wilcox Trauma Conference

Tuesday, November 3, 2020

7:00 – 8:00 am

Target Audience: Physicians/Nurses/Pharmacists and other members of the patient care team

This offering is intended for HPH employees and credentialed HPH providers.

Moderators: *Cristiana Bertocchi, MD, Marty Collins, RN and Karen Henry, PharmD*

Disclosure: I and/or my spouse/partner have no financial relationships or affiliations to disclose.

Learning Objectives: At the conclusion participants should be able to:

- Discuss treatment, technology and techniques for optional delivery of care to trauma patients.
- Apply evidence based practice guidelines for the urgent of injuries which is dynamic. It allows a forum for the physicians to stay "up-to-date" on current recommendations of management for that injury. Discuss ethical dilemmas of trauma care patients.
- To monitor compliance with standards and identify additional needs for education system improvements of guidelines and policy revisions.
- Engage with various departments and multi-disciplanry groups in the hospital regarding roles and responsibilities, resources available and limitations that may indicate immediate transfer to a higher level of care.

Continuing Education
