

## **2020 ONS Conference**

October 16-18, 2020  
Honolulu, Hawai'i

### **CONFERENCE INFORMATION**

#### **GENERAL OBJECTIVES:**

*By the end of the course, the participant will be able to:*

1. Make appropriate referrals to community resources for patients who experience barriers in obtaining cancer care.
2. Identify and discuss disparities in cancer outcomes based on geographical issues particular to Hawaii.
3. Apply knowledge gained of recently approved immunotherapy agents for cancer care.
4. Provide example for the multidisciplinary cancer care team, of the unique cancer care disparities for the individual islands that encompass the state of Hawai'i.

#### **CONTINUING EDUCATION:**

In support of improving patient care, this activity has been planned and implemented by Hawai'i Pacific Health and the Oncology Nursing Society. Hawai'i Pacific Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE) and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Hawai'i Pacific Health designates this live activity for 6.0 contact hours for nurses. Nurses should only claim credit commensurate with the extent of their participation in the activity.

Hawai'i Pacific Health is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education and this activity is accredited for 6.0 contact hours for attendance at the entire CE session.

Please note that in order to receive continuing education credits for this offering, you must:

- Claim credit commensurate with the extent of your participation in the activity.
- Complete and submit the evaluation survey that will be emailed to you within one week of the offering.
- Speakers cannot claim credit for their own presentations.
- Your CE certificate will be immediately available to you upon completion of your evaluation.

**DISCLOSURE INFORMATION:**

Per CE requirements, a disclosure report is included below listing any relationships that faculty, planning committee members, and others may have with a commercial interest. A commercial interest is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on patients. The planners and presenters of this event have reported no relevant relationships with any commercial companies pertaining to this activity.

The following Faculty and Planning Committee Members have reported relationships with companies whose products or services (may) pertain to the subject matter of this meeting:
