Continuing Education:

In support of improving patient care, Hawai'i Pacific Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Hawai'i Pacific Health designates this live activity for a maximum of 21.5 contact hours for nurses.

Hematology and Oncology Nursing

This is a comprehensive, standardized Association of Pediatric Hematology/Oncology Nurses (APHON) orientation course that is appropriate for both new and experienced nurses. It is intended for nurses interested in the care of the pediatric hematology and oncology patient.

Common pediatric oncologic and hematologic diagnoses such as leukemia, brain tumors and bone tumors are presented, along with treatment approaches, nursing care, and supportive care.

Case studies are included to provide clinical scenarios, in order to enhance the learning process.

Registration deadline:
Tuesday, January 31, 2024

Three-Day Program on the following Tuesdays
