

Straub Grand Rounds**Screening Tests for Mild Cognitive Impairment and Dementia and the Straub Memory Scale***February 20, 2026**12:30pm – 1:30pm**Zoom***SPEAKER: William Tsushima, PhD**

TARGET AUDIENCE: Physicians/Nurses/Pharmacists and other members of the patient care team.
This offering is intended for HPH care team members.

LEARNING OBJECTIVES:

By the end of the course, the participants will be able to:

1. Recognize the limitations of current screening tests to identify mild cognitive impairment.
2. Apply current test scores to identify dementia and to monitor cognitive functioning over time.
3. Understand the need for a population-specific screening test in Hawaii to assess mild cognitive impairment.

CONTINUING EDUCATION:

In support of improving patient care, Hawai'i Pacific Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Hawai'i Pacific Health designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credits™* for physicians. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Hawai'i Pacific Health designates this live activity for 1.0 contact hours for nurses. Nurses should only claim credit commensurate with the extent of their participation in the activity.

Hawai'i Pacific Health is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education and this activity is accredited for 1.0 contact hours for attendance at the entire CE session.

Please direct any questions you may have regarding your evaluation or CE certificate to the HPH Continuing Education Department at hphcontinuingeduc@hawaiiipacifichealth.org.
