

Kapi'olani Women's Gynecological Support Group

Kapi'olani Medical Center for Women & Children
Diamond Head Tower Conference Room 4
Second Thursday of the Month | 5:30 – 6:45 p.m.

The Kapi'olani Women's Gynecological Support Group is a program for patients who are receiving treatment or are survivors of gynecological (ovarian, endometrial, cervical, fallopian tube, uterine and vulva) cancers. The support group provides a safe place for women to learn coping methods, improve well-being and build connections with others who have had similar experiences.

The group will have a mixed agenda which may include an educational presentation or open discussion.

Support group meetings are free and will be facilitated by health care professionals from Kapi'olani Medical Center for Women & Children.

Light refreshments will be provided and parking will be validated.

For more information regarding the group or room location, please call 643-HOPE.
