

# Parking/Drop Off Instructions

## Hawai'i Pacific Health Cancer Center at Pali Momi Medical Center

98-1005 MOANALUA RD | AIEA, HI 96701

Located directly across from Pearlridge Wai Makai (formerly Downtown) and California Pizza Kitchen.

### WALKING FROM THE MEDICAL CENTER:

On the ground floor, use the covered walkway located on the makai side of the building on Haukapila St. Continue on the sidewalk, crossing the parking garage driveway/entrance, and take the crosswalk to cross the street to the front entrance of the Cancer Center.

### DROP OFF/PARKING:

Free in the Pearlridge Center parking garage adjacent to the Cancer Center building.

- **For those who require assistance:**

Continue on Haukapila St. Turn right at the stop sign. Take the second left to enter the ground floor of the parking garage. There are two drop off areas with ramps for patients in wheelchairs. (**Green path on map**)

**A Parking Ambassador is now available inside this parking area to help those who require assistance, and will be happy to escort patients and visitors to the cancer center.**

Family/caregivers are recommended to park on the ground floor. There are 10 parking spots designated for Cancer Center patients only, but all spots are available to park if those are occupied.

- **For those who do not require assistance:**

There is a drop off area for patients on Haukapila St. in front of the Cancer Center. This is recommended for patients who need little or no assistance, as it is not wheelchair accessible.

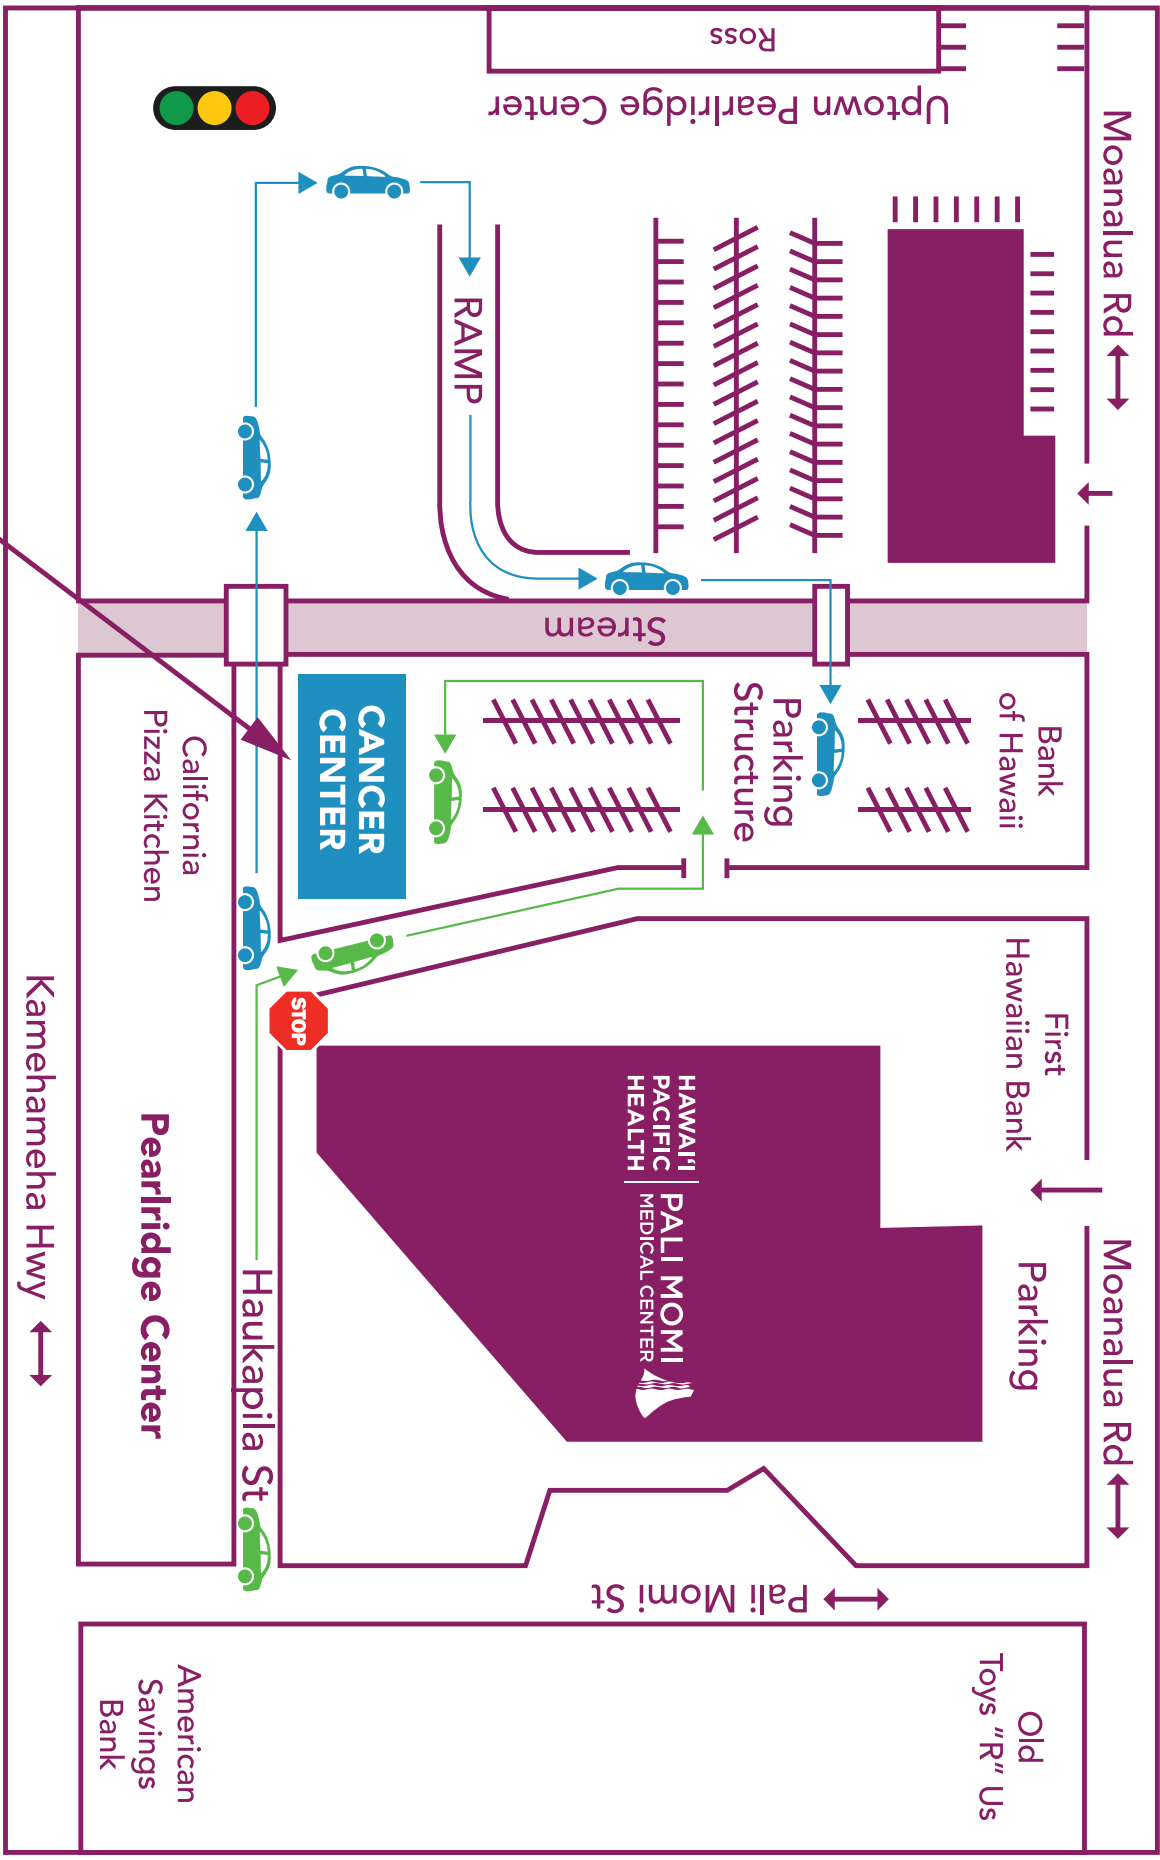

To park, family/caregivers will continue on Haukapila St. passing California Pizza Kitchen on the left. Turn right at the stop light, through the mall parking lot, and follow the road around to the right, up the ramp, and into the parking structure entrance. (**Blue path on map**).

Park on any floor in the parking structure. We recommend parking close to elevator for easiest accessibility down and back up. Take elevator down to the ground level, and use the crosswalk to cross the street and enter the Cancer Center.
