

# MEDICAL GENETICIST - PEDIATRIC & ADULT

**HAWAI'I  
PACIFIC  
HEALTH** | KAPI'OLANI  
PALI MOMI  
STRAUB  
WILCOX  
MEDICAL GROUP

Hawai'i Pacific Health Medical Group is seeking a full time medical geneticist for the evaluation and follow-up of infants, children, adolescents and adults with known or suspected genetic disorders. Join an established clinical genetics and metabolic team at Hawai'i Community Genetics and Kapi'olani Medical Center for Women & Children, the designated pediatric tertiary center for Hawaii and the Pacific. Instruct and supervise University of Hawai'i John A. Burns School of Medicine students and residents. Faculty appointment will be with the Department of Pediatrics, John A. Burns School of Medicine. Competitive salary and benefits. A truly unique opportunity offering a balanced lifestyle. Minimum qualifications: graduate of an ACGME accredited clinical genetics residency program; American Board of Medical Genetics (ABMG) certified or eligible; graduate of an approved residency program in primary care or related specialty (e.g. OB/Gyn, Neurology), a combined Pediatric-Genetics or Internal Medicine-Genetics residency program.

Combine the advantages of an integrated group practice with the cultural diversity, superb lifestyle, excellent climate and year-round activities of one of the happiest and healthiest places in the country!
