

PSYCHIATRIST - CHILD & ADOLESCENT/ADULT

**HAWAII
PACIFIC
HEALTH** | KAPI'OLANI
PALI MOMI
STRAUB
WILCOX
MEDICAL GROUP

Opportunity for child and adolescent/adult psychiatrist with Hawai'i Pacific Health Medical Group. Position responsible for leading a multi-disciplinary behavioral health team in consultation-liaison services, psychiatric interventions, and program development within an academic medical center serving women and children. Also includes clinical or academic faculty appointment at the University of Hawai'i School of Medicine. Essential qualifications include: M.D. or D.O. degree, board certification or eligibility in child and adolescent psychiatry, and experience and interest in consultation-liaison psychiatry. Desirable qualifications include: leadership experience, additional training or certification in consultation-liaison psychiatry (psychosomatic medicine), experience at a children's hospital, additional training in women's mental health or reproductive psychiatry and experience in educating trainees and members of a multi-disciplinary health care team.

Combine the advantages of an integrated group practice with the cultural diversity, superb lifestyle, excellent climate and year-round activities of one of the happiest and healthiest places in the country!
