

Pali Momi At A Glance Fact Sheet

PALI MOMI
MEDICAL CENTER

About Pali Momi Medical Center

Pali Momi Medical Center is a not-for-profit medical center located in 'Aiea, serving Central and West O'ahu. With private rooms, 118 beds and nearly 500 physicians on its medical staff, Pali Momi offers a full range of services. It has delivered many medical firsts for the community, including West O'ahu's only interventional cardiac catheterization unit for the detection and treatment of heart disease and the largest comprehensive center for cancer care. Pali Momi also has a fully integrated minimally invasive surgical suite, CT scan and MRI services, emergency services, a women's center and the state's first retina center. Pali Momi was founded in 1989 and is part of Hawai'i Pacific Health, one of the state's largest health care systems. Learn more at PaliMomi.org.

Mission

The mission of Pali Momi Medical Center is to create a healthier Hawai'i.

Pioneering Care for Central and West O'ahu

- Pali Momi is the only facility in Central and West O'ahu providing life-saving care through the following:
 - Interventional cardiac catheterization unit.
 - Primary Stroke Center.
 - Level III Trauma Center.
 - STEMI Center.
- First comprehensive center for cancer care in Central and West O'ahu.
- Advanced minimally invasive surgical technology.
- Comprehensive women's center.
- First hospital in Hawai'i to use the TandemHeart percutaneous left ventricular assist device to care for a heart failure patient.

Recent Additions

In order to continue bringing excellent care to the community, Pali Momi has added new advancements:

- MRI-guided UroNav Fusion Biopsy System for more efficient and precise prostate biopsies.
- Low-dose CT lung cancer screenings.
- Fetal diagnostics and obstetric ultrasound imaging for pregnant women.
- Advanced cardiac electrophysiology screenings.
- Comprehensive cancer center for more accessible care.
- Dedicated infusion therapy services suite.
- Collaborative Hawai'i Pacific Health Bone & Joint Center providing adult and pediatric sports medicine, dance medicine, joint replacements, spine surgery, hand surgery and rheumatology in one location.
