

Kaua'i Mobile Vaccine Clinic

healthier

The Kaua'i Mobile Vaccine Clinic is a partnership between the County of Kaua'i, Hawaii Health Systems Corporation and Wilcox Health. The van is administering the Pfizer vaccine for ages 12 and older, the Moderna vaccine for ages 18 and older and the Johnson & Johnson single dose vaccine for ages 18 and older.

Third doses of the Pfizer and Moderna COVID-19 vaccines for **immunocompromised** individuals are available **28 days** after the last dose.

Booster doses of the Pfizer or Moderna vaccines for ages 65 and older or ages 18 and older with underlying health conditions or who are at high risk for occupational or institutional exposure are available by appointment only **6 calendar months** after the last dose. Booster doses of the Johnson & Johnson vaccine are available for ages 18 and older **2 calendar months** after the previous dose.

The mobile vaccine clinic is not offering vaccinations to 5-11 year olds at this time.
