

BenefitHub Employee Discount Portal

A new, optional, voluntary shopping benefit program for HPH employees

As part of Hawai'i Pacific Health's Wellbeing and Benefits programs, HPH has partnered with a company called BenefitHub to offer you discounts and cash back on thousands of products and services. The BenefitHub employee discount program is effective for HPH employees to use on an optional, voluntary basis and should only be done on personal time, and not at work or using work equipment.

With BenefitHub, employees have the opportunity to shop for products and services all in one place through BenefitHub's easy-to-use discount marketplace. Employees can enjoy savings on a wide range of low- and big-ticket products and services such as:

- Hotels, car rental and vacation packages
- Tickets to movies, concerts, theme parks and sporting events
- Local restaurants, gyms, and shops
- TVs, computers, smartphones and other electronics
- Apparel, shoes and accessories
- Pet, auto and home insurance

BenefitHub also offers Cash Back Rewards where shoppers can earn between 2% - 20% cash back on eligible purchases – on top of the big discounts.

You may access BenefitHub from home using the following options:

- Using the FREE BenefitHub app on the App Store or Google Play (recommended)
- Go directly to their website [hphdiscounts.BenefitHub.com](https://hphdiscounts.benefithub.com)
- Access through Employees HERO by going to Forms & Reports → Company Information → BenefitHub → BenefitHub Employee Discount Portal
- On the HPH Intranet homepage Shared HPH Services → For Employees → BenefitHub Employee Discount Portal
