

Straub At-A-Glance Fact Sheet

About Straub Medical Center

Founded in 1921, Straub Medical Center is a fully integrated not-for-profit health care provider with a 159-bed medical center in Honolulu, a network of neighborhood clinics and a visiting specialist program that reaches throughout the state of Hawai'i. With more than 500 physicians who are leaders in their fields, Straub provides its patients with expert diagnoses and treatments for more than 32 different medical specialties, including bone and joint, heart, cancer, endocrinology/diabetes, family medicine, gastroenterology, geriatric medicine, internal medicine, women's health, vascular and urology. Straub is home to the Pacific region's only multidisciplinary burn treatment center. The medical center consistently brings new technologies and innovative medical practices to Hawai'i, such as minimally invasive cardiac surgery and total joint replacement. Straub is an affiliate of Hawai'i Pacific Health. Learn more at StraubHealth.org.

Mission

The mission of Straub Medical Center is to create a healthier Hawai'i.

History

Straub Medical Center was founded in 1921 as "The Clinic" by Dr. George F. Straub. Dr. Straub conceived the idea of forming a group of physicians to provide better, more-specialized care for his patients. Straub Clinic & Hospital became an affiliate of Hawai'i Pacific Health on Dec. 21, 2001.
