

# BONE & JOINT CARE now in KAPA'A.

Kaua'i Medical Clinic – Kapa'a now offers total-body orthopedic care. Providers from the Wilcox Bone & Joint Center are available to treat a range of conditions and injuries, including arthritis and those that affect the:

- Shoulder
- Wrist
- Hip
- Ankle
- Elbow
- Hand
- Knee
- Foot

X-ray services, sports medicine and injections are also provided on-site.

Additional services, including joint replacement, robotic-assisted surgeries, podiatry and ultrasound-guided injections, are available in Lihu'e.

Call 808-245-1523 or visit
