Neurology Physician Practice Opportunity

Recruiting a board certified adult neurologist to join a hospital-employed neurology group combining outpatient clinical practice with a neuro-hospitalist service. Candidates must be comfortable in the modern practice of acute stroke care, inpatient consultative neurology, and outpatient general neurology. Fellowship training is welcome, as opportunities are available to develop your own subspecialty program. Pali Momi Medical Center has 126 beds and offers a full range of services. Office is located in the medical office building adjoining our acute care community hospital.

- Highly competitive compensation.
- Excellent comprehensive benefits.
- Joint Commission certified primary stroke center.
- 1:5 call.
- A team of well-trained and collegial neurologists.
