

Medical Geneticist in Beautiful Hawai'i

Kapi'olani Medical Specialists is seeking a full time medical geneticist for the evaluation and follow-up of infants, children, adolescents and adults with known or suspected genetic disorders. Join an established clinical genetics and metabolic team at Hawai'i Community Genetics and Kapi'olani Medical Center for Women & Children, the designated pediatric tertiary center for Hawaii and the Pacific. Instruct and supervise University of Hawai'i John A. Burns School of Medicine students and residents. Faculty position available. Competitive salary and benefits. A truly unique opportunity offering a balanced lifestyle.

Minimum qualifications: graduate of an ACGME accredited clinical genetics residency program; American Board of Medical Genetics (ABMG) certified or eligible; graduate of an approved residency program in primary care or related specialty (e.g. OB/Gyn, Neurology), a combined Pediatric-Genetics or Internal Medicine-Genetics residency program.

Work

- Kapi'olani Medical Specialists is a multi-specialty group of over 100 academic physicians. The group works collaboratively with community physicians to provide comprehensive pediatric care. Specialists include: geneticists, hospitalists, surgeons, neonatologists, and oncologists.
- Kapi'olani Medical Center for Women & Children serves as the pediatric teaching hospital for the University of Hawai'i School of Medicine, and is also home to its OB/GYN residency program.
- Kapi'olani Medical Center is a 207-bed non-profit, regional perinatal medical center which opened its doors in 1890. It is Hawai'i's only tertiary children's center. Services include: NICU, PICU, minimally invasive surgery suites, child life services, behavioral health, social services, and chaplaincy.

Play

Often pictured as the ideal vacation spot, Hawai'i also offers tremendous diversity in cultural activities, recreation, food, and more!

- Great weather year round
- Wonderful place to raise a family with one of the lowest crime rates in the nation
- Home to America's best beaches - Top 10 list
- Endless choice of outdoor activities
- Honolulu Symphony, Hawai'i Theatre, great restaurants, museums of culture and arts, aquarium, zoo
- Multiethnic, multicultural experience
- Hawai'i has a population of 1.2 million with 800,000 residing on the island of O'ahu
