

Practice what you love in Paradise! Kaua'i, Hawai'i...

.....

Wilcox Memorial Hospital is currently seeking a full-time board certified/board eligible Internal Medicine Nocturnist. Ideal candidate is someone who is comfortable covering our 7-bed ICU and can perform intubation and insert central lines.

We are looking for a team player with strong attention to detail with a commitment to delivering the highest quality health care to Hawai'i's people with excellent patient satisfaction.

Here you will experience the quality lifestyle of The Garden Island - providing a safe, beautiful, family-oriented, rural community for your future practice.
