

Teen Driver Safety

# High 5

a safety checklist

- Teach your kids to buckle up every ride, every car, every time, forever. Start this rule when your kids are young.
- Be a good example when you drive. Your kids are watching and learning even when they are still in their car seats.
- Spend time in the car with your new teen driver. Discuss safety issues, including putting phones away when driving.
- Remind your teens about the importance of observing speed limits and following the rules of the road.
- Encourage your teens to speak up when any driver, including you, is driving unsafely. Teach them to find a safe way home if the driver has been drinking.
